JAVA

C#

About me

I am a 3rd-year undergraduate at NSBM Green University with a passion for creating intuitive and visually appealing front-end web applications. Skilled in HTML, CSS, JavaScript, and modern frameworks like React.js, I enjoy building user-friendly interfaces and staying updated with the latest web development trends. Driven by creativity and problem-solving, I aim to deliver impactful digital solutions.

t

Experience

Web Developer

STEMUP Club

I'm a Web Developer at the STEMUP Club, NSBM Green University, where they design and develop responsive websites and web applications for club initiatives and events, collaborating with other developers
